

The background image shows a long, light-colored wooden table in a restaurant. The table is set with several place settings, each including a folded white napkin, silverware, and a clear glass. In the center of the table are two wooden pepper mills and a small dark bowl. The table is surrounded by dark, ribbed leather chairs. Large windows in the background offer a view of a riverside area with buildings, trees, and outdoor seating. The text 'HIDEAWAY' is overlaid in large, bold, yellow letters, and 'RIVERSIDE RESTAURANT & BAR' is in smaller white letters below it.

food & drink

Dining at Hideaway is designed to be social, flexible, and full of variety. Our menus take inspiration from a broad mix of cuisines and styles, allowing food to play whatever role suits your event – from relaxed grazing to more structured dining.

Whether served as shared bowls, casual plates, barbecued dishes, or set menus, our approach is all about generous flavours, familiar favourites, and food that's easy to enjoy in a lively setting. Everything is designed to encourage movement, conversation, and a natural flow throughout the space.

We can accommodate up to 70 guests for seated dining or up to 120 guests standing, making Hideaway well suited to everything from sit-down celebrations to more informal, social events.

space & atmosphere

Hideaway makes the most of its riverside setting, with beautiful views across the Thames and a layout that feels open, relaxed, and easy to enjoy year-round. The space is designed to feel connected to the water while remaining comfortable and welcoming in every season.

Inside, the atmosphere is social and inviting, with plenty of room for guests to gather, move around, and settle in. When conditions allow, the layout also offers the option to step outside and enjoy the riverside surroundings, adding another layer to the experience.

Adaptable by nature, Hideaway works just as well for cosy winter celebrations as it does for warm-weather events, offering a flexible setting that feels scenic, comfortable, and unmistakably its own.

A rustic still-life photograph featuring a wooden crate filled with fresh produce. The crate contains several large, ripe red tomatoes, some smaller cherry tomatoes, and bunches of fresh green herbs like rosemary and dill. The crate is labeled "Finest Herbs" on its side. In the foreground, a plate of green peas with almonds and a small white flower garnish is visible. To the right, another plate shows a salad with sliced red onions, orange bell peppers, and green leafy vegetables. A bunch of fresh cilantro sits next to the pea salad. The background is dark and out of focus, suggesting an outdoor or market setting.
